### **Abstract**

Originality cannot be determined through outer appearance as there are some hidden qualities behind everything. In the education process, one cannot judge the actual capacity of learners. Many times No one can estimate the student's abilities in the classroom without knowing their inner talents. Every individual has his own talent by birth. Until unless recognize their talents, it would be a great loss to the education system. If we recognize the hidden talents of underachievers they can reach great achievements and it would be the happiest movement for them as well as their parents. It is mandatory to recognize the hidden talents to exhibit their efficiency. Counseling is one of the best techniques to find out the hidden talents of an individual. On the same wavelength if we are able to recognize the hidden talents of underachievers, irrefutably it could foster their academic performance. It will be a substantial contribution to the nation by imparting the genius persons.

**Key words:** originality; estimate; irrefutably; substantial; genius
